SUMMARY

Experienced in both **fast-paced startups** and **enterprise environments**, I'm a strong advocate for **inclusive design** and **accessibility**, with a passion for **storytelling through design** and mentoring emerging UX talent.

SKILLS

- **UX/UI Design:** Wireframing, Prototyping, Design Systems, Information Architecture
- **Research & Strategy:** User Flows, Usability Testing, Accessibility (WCAG/508)
- **Tools:** Figma, Adobe Creative Suite, Microsoft Office, Google Workspace
- **Collaboration:** Cross-functional Teams, Agile Environments, Stakeholder Communication

EXPERIENCE

Senior Product Designer

LightCI - AI Focused SaaS startup | Remote | **August 2024 — December 2024**
- Led the end-to-end design of **core product features.**
- Built 4 **scalable design systems**, improving **dev handoff and consistency by 40%.**
- Collaborated closely with engineering and product teams to ensure seamless implementation of designs.
- Championed accessibility, **aligning designs with WCAG standards.**

Senior Consultant

Booz Allen Hamilton - Government Consulting | Remote | **January 2023 — August 2024**
- Delivered UX solutions for government and enterprise clients, leading to a **15% increase in operational efficiency**.
- Designed and prototyped **30+ interactive wireframes** using Figma, achieving an **85% client satisfaction rate**.
- **Ensured WCAG/508 compliance** for federal products.
- Presented design concepts to stakeholders, securing approvals for high-impact projects within tight timelines.

Consultant

Booz Allen Hamilton - Government Consulting | Remote | **January 2022 — January 2023**
- Supported UX/UI development across **20 agile teams**, contributing to a **10% acceleration in project milestones**.
- Created data-driven user flows and storyboards that enabled seamless integration for engineering teams.
- **Identified 75+ design issues through audits,** improving UX consistency.

EDUCATION

UX/UI Bootcamp

Thinkful | **Graduated: Oct 2021**
- Focused on **accessible design, user research, and rapid prototyping**.
- Created a portfolio of **web and mobile design projects**.

AWARDS

Booz Allen Hamilton
